## About Us

We are one of the UK's leading and longest established wholesalers of natural, healthy and organic products. We have a customer base that spans the independent retailer / caterer to the multiple unit operator. We are also a contracted supplier to many of the UK's leading Buying Groups.

Our goal is to **Make Health Easy using our specialist** market knowledge and support tools to help your business grow.

We provide the full export service – health certificates, certificates of origin, re-labelling, ink jetting, translations, compliance, palletising and consolidation. As part of our offer, we also offer a full freight forwarding service.

## Export

We export to many countries around the world and have a dedicated and knowledgeable Export Team who can guide you through range recommendations. Pick pack and despatch is our specialty. Orders can be placed by email 24-7 and then carefully packed ready for despatch from our purpose-built warehouse and distribution center. We offer a range of delivery options based on your location.

Please contact us for more details.

## Our Products

We stock a huge range of brands, giving our customers access to over 6000 healthy and natural products, and the benefits of our consolidation service.
